

DAR Finder Program

SAR APPLICANT SPONSOR INFORMATION

SAR Chapters and State Societies are encouraged to promote a congenial and harmonious relationship with DAR Chapters and State Societies for the betterment of both organizations. As you recruit new SAR members always ask about their female relatives who could join DAR. In turn ask DAR members to ask about male relatives as they recruit new DAR members. When they bring us new SAR members, The Ohio Society has a program to reward them with medals.

Every year at the National Congress our National Society awards the DAR/SAR award to the DAR state society that recruits the most members for SAR. This is a \$500 award to the DAR state society.

OHSSAR has a DAR (and C.A.R.) Liaison Committee to spearhead these efforts. The state Liaison is John O Langlitz. DAR Co-chairman is Paul M. Wilke: langlitz@fuse.net or tinman01@fuse.net .

Sponsor Level Instructions

As an SAR member who is proud of his lineage to a Patriot Ancestor, it is your privilege and obligation to enlist additional men into the society. You should seek to sponsor prospective members by helping them through the application process. This may require you to help them with their genealogy research or simply be their first-line signer on a completed application. If a DAR member assists you in the process, there is a "DAR Finder" form that should accompany the completed application package when it is submitted to the Chapter Registrar.
