I sent out reminders to everyone on the OHSSAR mailing list of officers in July and have had no responses; therefore, I will repeat this endeavor. If we are fortunate enough to have multiple applications, then I will be recruiting a couple of members for the committee in order to review, rank and select state winners.

The national SAR website finally announced the winners for 2019-20 but our candidate was not the finalist. She was Ms Robin Hance who teaches at the Three Rivers School District, Cleves OH, located southwest of Cincinnati. The Cincinnati Chapter sponsored her.

I was disappointed that I was never sent notification of this from national; one would think that letters would be sent to announce this so I just kept checking the website and eventually the three winners (elementary, middle, and high school) were announced. I hope that they at least sent out condolence letters to the state candidates.

Patriotically,
