

THE OHIO SOCIETY OF THE
SONS OF THE AMERICAN REVOLUTION
ESTABLISHED 1889

A historical, educational, and patriotic non-profit, United States 501(c)3 corporation

The Ohio State Chaplain's office wishes to announce that should a fellow compatriot depart this life that State Chaplain Rev. Michael Nimocks is prepared to conduct the funeral service proper, reflecting our American heritage.

There are two services available; a full funeral service and/or a Grave Side internment service with Honor Guard and musket salute.

The planning of either event would be in concert with the family to ensure that the service fully celebrates the deceased life and accomplishments. If one has a church and a Minister to conduct the funeral, the graveside service with Honor Guard participation salutes the departed memorializing them forever as a Son of the American Revolution.

For consultation on this matter please contact Ohio State Chaplain, Rev. Michael Nimocks, 740-244-6589 or email: mnimocks@juno.com

The Chaplain's office is ready to assist you in every way regarding this matter. May the Lord uphold fellow compatriots as we promote our heritage, calling our nation to remember that always the price of freedom is indeed eternal vigilance!

Rev. Michael Nimocks
State Chaplain, Ohio Society, Sons of the American Revolution
