### HANDBOOK COMMITTEE REPORT BOARD OF MANAGEMENT MEETING FALL 2020/2021 TERM 17 OCTOBER 2020

Since our last report, the Handbook Committee has thoroughly examined the documents composing the Handbook previously carried online in the Society Website.

Revisions and updates were made in many of the sections and the date of the revisions is recorded at the foot of each page. The Handbook remains a useful and quick reference for many of the everyday questions that may arise on society issues and protocols within our membership. Care will take to keep the document in a more current status as we go forward.

Respectfully Submitted,

Turner Lee Wilkerson III  
Chairman—Handbook Committee  
President—Ohio Society SAR
