### Elementary School Poster Contest Activity Report Fall Board of Management October 17, 2020

October 5, 2020

On September 14<sup>th</sup>, I sent an email message to all Ohio Society Chapter Presidents and Secretaries which detailed a contest overview and a link to the contest page on the SAR web site. I also included a press release template to assist chapters with promotion in their local school districts. To date, I have heard from Benjamin Franklin Chapter, Hocking Valley Chapter and Richard Montgomery Chapter with plans to enter posters into the contest.
